

CASA Aviation Medical Examination

Customer Information – Fees & Process

Dear customer,

Thank you for choosing us as your CASA Aviation Medical Examiner. To ensure a smooth and timely aviation medical assessment, please read the following information carefully before making a booking.

1. Before We Can Start – Mandatory CASA Requirements

Before any appointment or assessment can commence, you must complete the following with CASA:

- Submit your application via the CASA website
 - o Complete General Information and Past Medical History
 - o Please avoid selecting “unsure” wherever possible
- Pay the CASA application fee
 - o Approximately \$75, payable directly to CASA

If the CASA application is not submitted and paid, we are unable to commence any part of the assessment, including nurse pre-visit review or testing.

2. Fees Overview

Standard CASA Medical Fees

- Base aviation medical examination: \$330

Possible Additional Test Fees (if required by CASA)

- ECG: \$80
- Hearing test: \$110
- Basic blood tests: \$130

Please note, aviation medical examinations are not covered by Medicare or private health insurance.

3. Standard Assessment Pathway (Non-Student Customers)

Step 1 – Registration & Deposit

- Register your details
- Pay a \$40 deposit
- Our team will arrange a Nurse Pre-Visit Phone Consultation

Step 2 – Nurse Pre-Visit Phone Consultation

During this phone consultation, the nurse will:

- Confirm your CASA application and payment are complete
- Review submitted information
- Identify whether any additional tests are required before your physical assessment

Step 3A – If NO Additional Tests Are Required

- You will be booked for an in-clinic physical assessment
- On the day:
 - Pay the remaining \$290
 - Complete the physical assessment
 - If all findings are satisfactory, the DAME doctor will submit your CASA medical on the same day

Step 3B – If Additional Tests ARE Required

- The nurse will liaise with the doctor
- Test request forms will be issued (ECG, hearing, blood tests, referral letters, etc.)
- Before documents are issued:
 - Pay the remaining \$290
 - Pay relevant test fees

Once results are received:

- You will be booked for an in-clinic physical assessment
- If all results are satisfactory, the doctor will submit your CASA medical on the same day

Step 4 – If Further Follow-Up Is Required

If CASA requirements are not met at submission:

- Additional follow-up appointments may be required
- Each appointment is charged at \$95 (standard) or \$135 (long)

4. Student Concession Pathway

Student Concession Fee

- Base aviation medical examination: \$200
- No nurse pre-visit phone consultation is included

Student Process

1. Book directly with the doctor
2. Before attending:
 - CASA application must be submitted
 - CASA application fee (~\$75) must be paid

On the day:

- If no additional tests are required and results are satisfactory, the doctor will submit the CASA medical on the same day
- If CASA requires additional tests:
 - The doctor will issue test request forms
 - You will arrange tests accordingly
 - Once completed, book a second doctor appointment
 - If results are satisfactory, the CASA medical will be submitted at the second visit

Any further follow-up appointments are charged at \$95 (standard) or \$135 (long)

5. Vision Requirements

If you wear prescription glasses or contact lenses, you must bring a spare pair of glasses to your appointment

6. Ophthalmologist Reports

If CASA requires an ophthalmologist report:

- Our doctor will provide a referral
- You will need to:
 - Book the ophthalmologist/optometrist appointment yourself
 - Confirm their fees independently

7. Appointment Duration

- Total assessment time: 30–60 minutes
- You will see the nurse first, followed by the DAME doctor

8. Cancellation Policy

- Cancellations within 24 hours, or non-attendance: \$40 fee applies

9. Booking Instructions
